Form IV Residential Trip – Grafham Water

Dear Parents,

I am delighted to announce our first residential trip for Form IV. The trip is to stay at the Grafham Water Centre in Cambridgeshire and will be for two days and one night. The dates are Tuesday 8th May and Wednesday 9th May 2018. Mrs Such and I will be accompanying the girls on this exciting trip and are looking forward to two days of outdoor, adventure education.

The cost of the trip is £165.00, which includes transportation, all meals, specialist equipment and tuition. The girls will be taking part in both land and water based activities. Last year's Form IV – Form VI undertook very similar activities during their day at Stanborough Park and we had very positive feedback from pupils and parents.

A place has been provisionally booked for your daughter and we will shortly be paying the deposit. Please contact Mrs Booth: office@sthildasharpenden.co.uk by **WEDNESDAY 11TH OCTOBER 2017** to confirm you give consent to your daughter attending the residential trip and for the deposit of £10.00 to be added to your account. The balance of £155.00 will be added to your Spring Term invoice.

A 'packing list' will be issued in the Spring Term and a meeting will be held, in March, to discuss timings and travel arrangements.

Kind regards

Mrs Thayer
