

Dear St. Hilda's Parents

Club Excel are extremely excited to announce that we will be operating four weeks of activity camps during the summer holidays at St Hilda's School. This will be with the view to operate during all school holiday's going forwards.

Club Excel have been running activity day camps in Hertfordshire for 21 years and our experience goes a long way to providing peace of mind to parents whilst introducing children to a range of activities that will not only challenge them but more importantly ensure they have the maximum amount of enjoyment whilst being cared for in a secure, happy & fun filled environment.

Club Excel is Ofsted registered and have built their reputation by delivering high standards of childcare. The camps are operated by a team of experienced and qualified childcare professionals, many of whom are qualified teachers & sports coaches. All staff are DBS checked and receive regular training.

We feel very privileged to have secured the opportunity to run camps from St Hilda's in Harpenden and would like to offer you an introductory **30% discount on all 2020 camp bookings** made before 01/06/20. To redeem use the discount code STH30. The activity options offered at St Hilda's for 2020 will be:

Mini Camp (Preschool)

Designed specifically for children aged 3 to 4 years old, our Mini Camps are perfect for those attending a day camp for the first time or who are not yet in Reception. Children are guided by our qualified members of staff, who ensure they are both supported and have the space to explore, learn and let their imaginations run wild

Multi Activity (Juniors: Reception – Year 1 Seniors: School Years 2 – 4)

Our Multi Activity Camps are the perfect opportunity for children to make new friends, learn new skills and grow in confidence. So, whether your child prefers climbing walls and go karting or swimming and obstacle courses, you can guarantee they will have plenty of fun-filled stories to tell you when you collect them at the end of the day.

Performing Arts & Crafts (Reception – Year 1)

Dancing, acting, arts and crafts are the order of the day at our Performing Arts and Crafts Camps. For children of this age, this is the place where every day is a chance to let creativity flow. Here, your child's imagination can run wild amongst kindred spirits, making new friends and developing their skills all at once.

Theatre Workshop (School Years 2 – 7)

If your child has a passion for the performing arts, they will gain confidence as well as new skills in dance and drama, guided by professional dance and performance artists. Developing creative techniques through fun and games, at our Theatre Workshops your child will have the chance to make like-minded friends and learn upbeat routines. Our team will encourage their imagination, innovation and ideas, giving them a rewarding platform for self-expression.
