Form III Weekly Newsletter Autumn Term w/c 14th September 2020

Dear Parents,

This week's highlight was a brilliant trip to 'Celtic Harmony'. We were the first school to visit since March, so were very welcome! The girls took part in a range of Stone Age activities and the people were very impressed with their ability and behaviour. There were some fantastic dens built and I was very proud of the whole class. Thank you all for your support in making this trip possible.

What we have been learning this week

Mathematics: This week has seen us focus on Ordering and Comparing numbers. The girls have shown a good understanding of this and have been showing their knowledge up to 4 and 5-digit numbers.

The homework this week is in relation to the 7 times table. Please can I ask you to time the girls to see how much they can do in 15 minutes. The girls have been practising their 7 times table in class. BBC Supermovers has gone down very well. If you would like to use this at home the web link is: www.bbc.com/teach/supermovers/ks2-maths-the-7-times-table-with-moonbeam/zjp8y9p

English: This week we have continued with 'The Iron Man' and have now got to the end of Chapter 2. The girls are certainly enjoying the story and are looking forward to creating their 'Iron Woman' sculpture next week in Art. In connection with what we have read, we have looked at the use of colour in the book and its connection to the Iron Man's emotions.

This week's homework is a comprehension called, 'The Vikings'. Please can you make sure that these are answered using full sentences, with capital letters and full stops.

History

As well as learning and participating in activities at Celtic Harmony, this week, in the classroom, has seen us looking at 'cave paintings' and their importance and impact for Stone Age people. The girls have created their own examples, which will be put into a class display. We have had some very creative work!

I have added some photos from our trip, below. There are some very 'fierce' looking hunters and brilliant dens.

I hope you have a nice weekend.

Kind regards

Mr Smith
