WANT TO MAKE AN AMAZING FILM?

HERE'S JUST A SMALL SNAPSHOT OF WHAT WE GOT UP TO IN SUMMER 2022...

#SKILLS:

Learn how to use a camera, edit using Final Cut Pro, be a sound engineer, source music and SFX, be a props manager, costume supervisor, a script and continuity officer, be in the team that make a 'bloopers' reel, create animation sequences...plus much, much more! You can even do a bit of acting...so many roles to choose from...

#PREMIERE NIGHT:

In early summer, we get together for a Premiere Night. Get dressed up and eat popcorn while you watch the trailer, the blooper reel and then the main feature film!

And while you're there, pick up a certificate and trophy or two in our peer awards! Nobody leaves empty handed!
