8th September 2022

Dear Parents and Carers

Form III Trips and Visits – Autumn Term 2023

Stone Age Workshop

On Monday 25th September, we will be having a visit from a time travelling stone age person! The children will be immersed in hands-on and highly engaging sessions which link to our history topic this term.

The cost of the visit is £24

Bhaktivedanta Manor

On Friday 6th October, Form III will be visiting Bhaktivedanta Manor, the Hindu temple near Watford. This trip will link with the work that we are doing in RE.

We will travel by coach leaving school at 9:00am and returning by 3:30pm. Children should wear their normal school uniform and bring their water bottle. Lunch is provided by the temple as packed lunches are not permitted. Lunch is from a vegetarian menu and the cooks at the temple prepare plain rice, matar paneer curry (peas and soft paneer cheese in tomato sauce), indian puri puffed bread, crackers, deep-fried chips and apple juice. It is mild and child-friendly.

The cost of the trip is £33.

Owl Visit

On Monday 20th November, the children will be visited by some wise and feathered friends. They will learn more about owls and this will link to our work in English.

The cost of the visit is £10.

If you do not hear from you by Monday 18th September, we will assume that you give permission for your children to participate in the above activities. The total cost of all the activities will be debited from your account.

Best wishes

Miss Sewell
