Creating Fun

Booking and info

How to book:

Contact Sally Fairbairn via email or Whatsapp: art.at.wild.roses@gmail.com or 07703 493415 and we will send a link to the online booking form.

What to bring:

Please bring an apron to wear to avoid paint or other art media getting on to your clothes.

Water bottle.

A nut free packed lunch/snack if you are attending a full day event.

Class information:

Full day Art Club has two breaks - timetable detailed on booking form.

If a class becomes full, a waiting list system will operate. You will be informed as soon as a place becomes available.

There is a minimum number of participants required for the club to go ahead. There are a limited number of places.

Keeping Children Safe:

I have current industry standard Safeguarding training for working with children.

I have a current full enhanced portable DBS certificate which is updated annually.

I am first aid trained and hold a current certificate.

I adopt the St Hilda's School safeguarding and Child Protection policies. Health & Safety policy & Behaviour Management policy (available on the website).

All activities are risk assessed.

Other information:

I have full public liability insurance to run art classes and workshops.

I am a fully qualified Art Teacher with over 20 Years experience in Art & Design, Graphics, Design & Technology and Textiles.

Creating Fun Art Club Manifesto

Welcome to Creating Fun Art Club — a nurturing space where young minds are encouraged to explore, express, and develop through creative activities. We believe that every child has a unique artistic voice, and our mission is to help them discover and celebrate it.

Our Vision

At the Art Club, we are committed to:

- Fostering a love of creativity and self-expression in every child.
- Providing a supportive and inclusive environment where all ideas are valued.
- Encouraging experimentation, curiosity, and confidence through art.

The Benefits of Creativity

We believe that engaging in art offers children lifelong skills and emotional enrichment:

- Creativity builds confidence. When children create freely, they develop pride in their ideas and abilities.
- Creativity nurtures problem-solving skills. Artistic exploration teaches children to look at challenges from new perspectives.
- Creativity encourages resilience. Through trial, error, and discovery, children learn that mistakes are part of growth.
- Creativity promotes well-being. Art offers a joyful and calming way for children to process their emotions and share their thoughts.

Our Values

- There are no mistakes in art. Every effort is a step in learning and discovery.
- Every child's work is meaningful. We celebrate originality and personal expression.
- Kindness and respect guide us. We encourage children to support one another's creative journeys.

Create with heart. Share with joy. Imagine without limits.

We invite parents and carers to join us in championing the power of creativity — together, we can help children build confidence, resilience, and joy through art.
